1. PEDCO and its subcontractors shall not be liable for damage, loss, or delay to uncrated freight, freight improperly packed, glass breakage, or concealed damage.

2. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by PEDCO or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pickup of freight from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in booth unattended. Therefore, it is agreed that PEDCO and its subcontractors are not liable for the loss of, disappearance of, or damage to Exhibitor's freight after the same has been delivered to Exhibitor's booth, nor are PEDCO and its subcontractors liable for Exhibitor's freight before it is picked up from the Exhibitor's booth for loading after the show.

Consequently, all bills of lading covering outgoing shipment(s) submitted to PEDCO or its subcontractors by Exhibitor will be checked at time of pickup from the booth and corrected where discrepancies exist.

3. PEDCO and its subcontractors shall not be liable for any damage incurred during the handling of equipment requiring special devices to properly load, place, or reload unless 14 days advance notice has been given to PEDCO in time to obtain the proper equipment.

4. PEDCO and its subcontractors shall not be liable for any loss, delay, or damage due to events beyond their reasonable control which cannot be avoided by the exercise of due care and prudence, including without limitation, strikes, labor disputes, lockouts, or work stoppages of any kind, fire, theft, windstorm, water, vandalism, acts of God, mysterious failure of power or utilities, and other events of force majeure.

5. PEDCO and its subcontractors shall not be liable for ordinary wear and tear in handling of equipment. **6. It is understood that PEDCO and its subcontractors are not** insurers. Insurance,

if any, shall be obtained by the Exhibitor. Amounts payable by PEDCO hereunder are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. It is further understood and agreed that PEDCO and its subcontractors do not provide for full liability should loss or damage occur. In the event that PEDCO or its subcontractors should be found liable for loss or damage to Exhibitor's equipment, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$0.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results in directly or indirectly to property through performance or nonperformance of obligations imposed by the offering of services to Exhibitors, or from negligence, active or otherwise, by PEDCO, its subcontractors, or their employees.

7. PEDCO and its subcontractors shall not be liable to any extent whatsoever for indirect, special, incidental, or consequential damages, including, but not limited to delay any actual, potential or assumed loss of profits or revenues, loss of use of equipment or products, or any collateral costs that may result from any loss, injury, or damage to Exhibitor's material or Exhibitor personnel which may make it impossible or impractical to exhibit the Exhibitor's materials.

8. Claims for loss or damage must be submitted to PEDCO by the close of the show. No suit or action shall be brought against PEDCO or its subcontractors more than one year after the cause of action accrues.

9. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that PEDCO and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of PEDCO or its

subcontractors shall sign a delivery receipt, bill of lading, or other document, the parties agree that PEDCO or its subcontractors will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.

10. PEDCO and its subcontractors shall not be liable for shipments received without receipts, freight bills or specified unit counts on receipts or freight bills, such as UPS or van lines. Such shipments will be delivered to booth without guarantee of piece count or condition.

11. Empty container labels will be available at the service desk. Affixing labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for EMPTY STORAGE ONLY, and PEDCO and its subcontractors assume no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.

12. In order to expedite removal of freight from the show site, PEDCO shall have the authority to change designated carriers, if such carriers do not pick up on time. Where no disposition is made by the Exhibitor, freight will be taken to a warehouse to await Exhibitor's shipping instructions, and the Exhibitor agrees to be responsible for payment of charges relating to such handling at the warehouse. PEDCO assumes no liability as a result of such rerouting or handling.

Instead, the Exhibitor agrees to pay PEDCO prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against PEDCO or its subcontractors shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits.

PEDCO offers new freight handling services - PEDCO Logistics & Warehousing! Ship your freight anywhere in the world via PEDCO Logistics. We handle common carrier (nation wide and local) as well as air carrier (next day, 2nd day, & differed) shipments. We also do local warehousing and rigging.

Important Additional Information

Certified weight tickets are required for each shipment. A shipment is considered uncrated if the bill of lading does not identify the weights of each item and more than 50% of the piece count falls into the uncrated category above. All shipments must be sent prepaid (PEDCO cannot accept or be responsible for collect shipments) and must be cosigned to PEDCO to avoid the possibility of your shipment being turned away. Your weight calculation is only as estimate. Invoicing will be done from the actual certified weight.
